

## **Job Opening** **Career Navigator, Full-time, Non-Exempt**

**Associates for Training and Development (A4TD)** is a nationally recognized workforce development non-profit that originated in 1983. A4TD administers job training programs for mature workers in five states: CT, ME, NY, PA, and VT. We recognize the dignity and worth of our program participants and hold firm in the belief that mature workers have the right to contribute to their economic stability. When a program participant is offered a job consistent with their interests and abilities, we at A4TD are uplifted and energized to do it again with the next participant. As the demographics of our country's workforce change, we know mature workers bring needed skills and talents to the workplace.

A4TD has an opening for a **Career Navigator** to join our dedicated, mission-driven team. Our dynamic team comes from diverse backgrounds. We are teachers, coaches, accountants, former restaurant managers, veterans, and more.
